DEMARCHE

REF: (A) STATE 134133 (B) TALLINN 00736

(SBU) On August 16 we delivered reftel points (Ref A) to Acting MFA Director General for Security Policy, Arti Hilpus, who reiterated that it is unlikely that the GOE will contribute to the international peacekeeping force due its commitments in Afghanistan and Iraq (Ref B). However, Hilpus noted, the GOE has not yet decided what to do with the two Estonian observers serving in Lebanon and Syria with the UN Truce Supervision Organization (UNTSO).
